CASTING AVAILABLE

Dear valued guests,

We are excited to inform you that casting is now available in your room, offering you a seamless entertainment experience during your stay. To take advantage of this feature, simply follow the instructions below:

1. Connect to Wi-Fi:

Locate the available Wi-Fi networks on your device and select `Scotts_Hotel_Wifi` from the list.

2. Turn on the TV:

Using the remote control provided in your room, turn on the television.

3. Change the source to HDMI 1:

On your TV remote, look for the “AV” or “Source” button and press it until you see “HDMI 1” displayed on the screen. This will activate the casting functionality.

4. Enjoy casting:

When you have found HDMI 1 follow the on-screen instructions and you can now cast your favourite content from your personal device to the television. Simply open the casting feature on your device (e.g., Chromecast, AirPlay, or Miracast) and select the TV as the casting destination. You can now enjoy your preferred shows, movies, or videos on the big screen!

Please note that if you encounter any issues or require further assistance, our friendly staff is available at the front desk to provide support.

Thank you.
